## EVERYTHING YOU EXPECT. AND MORE.

---

When you have an exciting and award-winning pedigree such as the 48ft series, you want to build on it. And make it an even more attractive proposition. Introducing the Targa 50 OPEN.

Built for speed and all-out thrills, the exterior looks of this motor yacht are a giveaway, especially with its head-turning anthracite roof. And even more luxury awaits on the inside, with beautiful Italian leather and carefully considered high and low-level lighting throughout. It's these understated touches and more that set the Targa 50 OPEN apart.

You can rely on the Targa 50 OPEN to take you to your next destination rapidly, with its impressive performance and manoeuvrability all down to its twin Volvo IPS 650 or 700 engines. But there is even more to look forward to - our Premium Pack option - with specifications including high capacity air conditioning, submersible bathing platform, Bluetooth audio system, a 12" touchscreen display at the helm and exterior mood lighting to set the tone. More to consider. More of the exceptional.

## WE HAVE DESIGNS ON THE PERFECT RESTING PLACE

A colour palette where land meets the sea, effortlessly combined with rich natural textures.

Whether you choose a scheme that exudes sunny warmth synonymous with fragrant Italian lemon trees, or an ode to the sea where all manner of deep, oceanic blues tastefully swirl with muted greys; you are sure to discover an interior design collection that evokes charm and elegance.
