## A WONDERFUL EXPRESSION OF DESIGN LEGACY WITH VISION.

---

At first glance, it's difficult to ignore superyacht designer Alberto Mancini's signature design language, which is in every curve of the Targa 65 GT's sleek profile. But when you begin to recognise it, you'll see why this motor yacht has such a striking appeal.

The foredeck is the perfect place to relax in privacy, while the sheer amount of space on the inside allows you to socialise on a bigger scale, especially in the extended saloon. The Targa 65 GT has been configured to maximise life on board, and whether you're alone or enjoying the company of friends, it is a stunning place to be.

## CRAFTED WITH ROOM FOR MORE

Although the flexible interiors offer plenty of space, the stunning design of the Targa 65 GT means there is more than enough room to fit in all of its innovative features.

WONDERFUL PLACE TO BE

## LUXURY BY DEFINITION MEANS SPOILT FOR CHOICE

---

A Fairline interior fulfils its purpose when you step on-board and say, “Ahhh.”

Creating a space that is truly comfortable requires more than reaching for a cosy pillow and blanket; it's about tapping into sensibilities that speak to our deepest and most essential needs.

Our new 'Beach Club' interiors are defined by serene living spaces, as the focus of life on-board moves closer to the water. Earth tones, deep blue hues, natural weaves, and linen textures make way for an interior collection that is as gentle as the Mediterranean breeze.

One area effortlessly flows into the next using dynamic diagonal lines, leading your eye-line through the space. Oak wood floors, beautifully lacquered cabinetry, luxury natural fibre carpets and vertical slatted timber details harmonise and evoke a sense of calm. It's the perfect setting for waterside living and entertaining.
